

DID SOMEONE
MAKE A DIFFERENCE
IN YOUR VISIT
OR STAY AT
PARRISH MEDICAL
CENTER?

A SKILLED NURSE
AN EXCEPTIONAL DOCTOR
A CARING STAFF MEMBER

Parrish Medical Center (PMC) care partners
(employees, physicians and volunteers)
live the same mission:
healing experiences for everyone all the time.

Healing experiences are truly meaningful connections
and experiences given from one human out of love,
caring and respect for another human. It's very likely
that your life, or the life of someone close to you, has
been touched by a PMC care partner.

MAKE A
Difference

Now you have an opportunity to say thanks.

Through our *Make a Difference* recognition program,
you can honor a PMC care partner by making a gift
to the Jess Parrish Medical Foundation and writing
a personal note of thanks to him or her on the note
card provided below. The individual will be notified
you are honoring them (unless you prefer to remain
anonymous), and will receive a small token of our
appreciation. Our care partners enjoy hearing they've
done a great job, and recognition from you means
so much.

Your gift will support programs and services that will
continue to make a difference in the lives of patients
at Parrish Medical Center.
